Spacious home near great skiing, biking and walking as well as village shops and restaurants

Chalet Fernuy...

There's a real feeling of tranquility at this delightful 5-star chalet, which is in a great location, between the charming village of La Clusaz and the ski and leisure area of La Balme and Les Confins.

There are stunning views across to the La Balme ski area, and of course the Fernuy run, from Chalet Fernuy. The chalet sleeps 10 people in five bedrooms, with four bathrooms. There is also a wonderful outdoor nordic hot tub, an outside dining terrace and several different seating areas - you can follow the sun throughout the day.

This spacious chalet has been cleverly designed, resulting in a stunning contemporary interior with some unique features, and is decorated to make it a wonderfully relaxing space where you can wind down at the end of an active day in the mountains.

Chalet Fernuy is a great base for groups of friends or families with older children who want to make the most of the mountain activities on offer in the French Alps, but with easy access to all the shops, restaurants and bars of La Clusaz.
